

UNIVERSITY COURSE SCHOLARSHIPS TERMS & POLICIES

Scholarships are awarded every month to university students with financial need. If eligible, applicants may apply for either a Financial Assistance Scholarship OR a Mabel Brown Disability Scholarship. Applications must be received before the first day of the month in which they should be considered. Do not enroll in a course until you have a scholarship, as scholarships may not be applied to previous enrollments. Scholarship awards (or denials) will be sent by email before the end of the month in which they are considered. Once a scholarship is awarded, withdrawal from the course redeemed with a scholarship results in forfeiture of funds and no refund or voucher will be available.

Please email or fax the completed application and transcripts to:
